UPCS Spring 2017 Schedule REV 2.pdf  
2017 UPCS Work, Submittals and Punchlist.docx

Hi Chris, per your request, see the web link below for the draft documents. Also attached is a draft schedule and draft punch list for the final conveyance system check out. Currently scoping to perform enhanced road maintenance and snow removal in early 2Q (depending on spring weather/snow pack conditions/safety considerations). Will keep you updated later in 1Q on mobilization. Tony...

**Subject:** RE: Upper Ponds Conveyance System Project Submittals

Hi Tony,

Thanks for the response regarding project submittals, we have a couple follow-up requests.

1. Please provide a copy of the formal submittal for non-shrink grout and structural epoxy for anchors.
2. We are having difficulty locating the design/construction information for the power and control panels – please direct us to where this information can be found in the *Issued for Construction* packet.

We look forward to receiving the preliminary draft construction completion report.

Thanks,

*Chris Stetler, PE*
